**Re: Application for DMCA Subpoena**

Dear Sir or Madam:

I respectfully request that the Clerk issue a subpoena pursuant to 17 U.S.C. § 512(h).

By way of background, Section 512(h) of the Digital Millennium Copyright Act provides that a "copyright owner or a person authorized to act on the owner's behalf may request the clerk of any United States District Court to issue a subpoena to a service provider for identification of an alleged infringer in accordance with this subsection." 17 U.S.C. § 512(h)(1). For a subpoena to be issued, Section 512(h) requires that a copyright owner file the following with the Clerk:

- (1) A copy of the notification required by Section 512(c)(3)(A);
- (2) A proposed subpoena; and
- (3) A sworn declaration to the effect that the purpose for which the subpoena is sought is to obtain the identity of an alleged infringer and that such information will only be used for the purpose of protecting rights under this title.

Accordingly, attached for filing with the Clerk is my notification pursuant to Section 512(c)(3)(A), a proposed subpoena, and a sworn declaration. As I have complied with the requirements of the statute, I ask that the clerk pursuant to Section 512(h)(4) expeditiously issue and sign the proposed subpoena and return it for service on the subpoena recipient.

Thank you for your cooperation and prompt response in this matter. If you have any questions, I am reachable by phone at +1 415 670 9350 or by e-mail at aaron.greenspan@plainsite.org.

Sincerely,

A handwritten signature in black ink, appearing to read "Aaron Greenspan".

To Whom It May Concern:

See below.

According to CloudFlare, you are providing either firewall (what you call "GDAN" services) or hosting for this site. Please be advised that I will sue you unless you remedy the issues below within 24 hours. I would also greatly appreciate it if you could provide the true IP of the hosting server, which I suspect belongs to [OrangeWebsite.com](#)'s subnet.

This customer is linked to a criminal extortion ring. Surely there are better ways for you to earn revenue.

Thanks,

Aaron

This letter is official notification under Section 512(c) of the Digital Millennium Copyright Act ("DMCA"), and I seek the removal of the aforementioned infringing material from your servers. I request that you immediately notify the infringer of this notice and inform them of their duty to remove the infringing material immediately, and notify them to cease any further posting of infringing material to your server in the future.

Please also be advised that law requires you, as a service provider, to remove or disable access to the infringing materials upon

receiving this notice. Under US law a service provider, such as yourself, enjoys immunity from a copyright lawsuit provided that you act with deliberate speed to investigate and rectify ongoing copyright infringement. If service providers do not investigate and remove or disable the infringing material this immunity is lost. Therefore, in order for you to remain immune from a copyright infringement action you will need to investigate and ultimately remove or otherwise disable the infringing material from your servers with all due speed should the direct infringer, your client, not comply immediately.

I am providing this notice in good faith and with the reasonable belief that rights I own are being infringed.

As to the rest of the content on the aforementioned page, it is defamatory and false. If the entire page is not removed, I will not hesitate to initiate legal action against you in order to determine the identity (IP address) of the poster.

Under penalty of perjury I certify that the information contained in the notification is both true and accurate, and I have the authority to act on behalf of the owner of the copyright(s) involved.

Should you wish to discuss this with me please contact me directly. You can reach me at [aaron.greenspan@plainsite.org](mailto:aaron.greenspan@plainsite.org) or by phone at +1 415 670 9350.
